## Palm Desert Glows with THE AGELESS SECRETIM

Chemist Jim Kaszyk's all natural AGLESS SECRET™ is capturing attention throughout the longevity and beauty industries. Appearing in multiple trade publications with glowing reports from owner/operators of longevity centers, plastic surgeons and aestheticians; AGELESS SECRET™ shows results clients never thought possible.

Taking 15 years to formulate and based on the teachings of a Yale professor, Kaszyk has created a product that delivers dramatic results of radiant, toned skin yet uses ingredients that are safe enough to eat.

Bringing his company Kasz Enterprises to Palm Desert from New England, Jim and his wife Paula are easily identified at chamber events by the buzz surrounding them as they show off their product. And if you are very lucky you can win a bottle of AGLESS SECRET™ as a raffle prize; Jim and Paula are generous raffle prize donors at our mixers.
